Pod sveto streho

PREDPREMIERA

Slovenija | dokumentarni | 2025 | 55'

Scenarij: Miha Mohorič, Toni Poljanec

in Tina Glavič Novak | Režija: Miha Mohorič

Slovenski podnapisi

Pod sveto streho je dokumentarni film, ki nam z redko doseženo bližino in spoštljivo distanco odpira vrata v življenje romske družine v Sloveniji. A to ni »romski film« – temveč zgodba o vsakomur, ki se je kdaj znašel med pričakovanji drugih in lastnimi občutji.

The House of Gods

SNEAK PREVIEW

Slovenia | documentary | 2025 | 55'

Screenwriters: Miha Mohorič, Toni Poljanec in

Tina Glavič Novak | Director: Miha Mohorič

Slovenian subtitles

“The House of Gods” is a documentary film that, with rare intimacy and respectful distance, opens the door to the life of a Roma family in Slovenia. But this is not a ‘Roma film’ – it is a story about anyone who has ever found themselves caught between the expectations of others and their own feelings.

Filmi pod lipo – filmski večeri na dvorišču Liznjekove domačije

Tudi letošnje poletje vas vabimo na druženje pod veje lipe na dvorišču Liznjekove domačije. Gornjesavski muzej Jesenice in SAGAR kolektiv sta v sodelovanju z Animateko in Mednarodnim festivalom dokumentarnega filma DOKUDOC pripravila zanimiv filmski program. S prvim, junijskim večerom obeležujemo 80. obletnico konca druge svetovne vojne z zgodbami žrtev nacističnega rasnega programa Lebensborn. Nadaljujemo z novo serijo kratkih animiranih filmov za mladino in odrasle. Stekleničarji nas bodo popeljali v postapokaliptično stanje množičnega potrošništva, septembra pa bo svoj novi film predstavil idejni oče Filmov pod lipo, Miha Mohorič.

Films under the Linden tree – Movie nights in the courtyard of Liznjek’s homestead

Once again this summer, we invite you to gather under the branches of the linden tree in the courtyard of the Liznjek Homestead.

Gornjesavski muzej Jesenice and SAGAR kolektiv, in cooperation with Animateka and the International Documentary Film Festival DOKUDOC, have prepared an engaging film program.

We begin in June by marking the 80th anniversary of the end of World War II with stories of the victims of the Nazi racial program Lebensborn. The program continues with a new series of short animated films for both young audiences and adults. *Bottlemen* will take us into a post-apocalyptic vision of mass consumerism, and in September, the founder of the *Films Under the Linden Tree* series, Miha Mohorič, will present his latest film.

Organizatorji si pridržujemo pravico do spremembe programa.

Vstop na vse filmske večere je brezplačen.

V primeru slabega vremena bodo projekcije potekale na skednju Liznjekove domačije.

The organizers reserve the right to change the program.

Admission to all movie nights is free.

In case of rain, the screenings will take place in the barn of Liznjek’s homestead.
